Designs and manufactures of PC-based industrial computer products. We offer Embedded System, Embedded PC, Single Board Computer, Industrial PC, Industrial computer, Gaming Motherboard, Industrial Motherboards.

A global leader in the design and manufacture of high performance analog ICs (integrated circuits). We develop and produce industry-leading analog semiconductors, including high performance standard products and customized solutions.

CUI designs, manufactures and markets electro-mechanical components for the OEM manufacturer.

Buzzers, Connectors, DC-DC Converters, Encoders, Linear, Microphones, Sensors, Speakers, Switching Power Supplies, Thermal Management, Custom Products
CUI's power division, **V-Infinity**, offers a product line that consists of external and embedded ac-dc power supplies, dc-dc converters, and LED drivers that range from 0.25 to 2400 watts.

Chip LED's, Thru Hole LED's, Light pipes, Panel Mount indicators and LED arrays. LED lens solutions and LED lighting sub-assemblies

LEDEX & DORMEYER® brand SOLENOIDS, Linear and Rotary. Switches, Sensors, SYNCHRONOUS & STEPPER MOTORS, Gearboxes, Timers, Counters, and Meters

Worldwide leader in circuit protection products and solutions. The Littelfuse portfolio is backed by industry-leading technical support, design and manufacturing expertise. Littelfuse products are vital components in virtually every product that uses electrical energy, including automobiles, computers, consumer electronics, handheld devices, industrial equipment and telecom/datacom circuits. Littelfuse offers Teccor®, Wickmann® and Pudenx® brand circuit protection products.

Our consumer IC line of products includes Speech ICs, ChipCorder®, Voice and Telephony ICs, audio CODEC ICs, microcontroller ICs, and many others.

DDR/DDR2 memory modules, Flash Media including Compact Flash and SD Flash cards. NVIDIA graphics cards & USB Flash Drives

World leading Relay supplier offering the complete range of technologies - Automotive, PhotoMOS, Power, RF, Signal, and Solid State. Other products include Switches, Motion/Light/Pressure Sensors, and Area Reflective Sensors

Leading provider of Inductors, Transformers, Chokes, Filtered Magnetic & non filtered I/O Connectors (USB, RJ11/45, SFP/XFP, 1394, HDMI). Other product lines include Antenna solutions & Mil/Aero components for 1394, Fibre Channel, 1553 & SONET.

Providing EMBEDDED INDUSTRIAL WIRELESS NETWORKING & Connectivity products for M2M communications. Fully integrated modules and SW for a DROP IN web-enabled 802.11 solution.

Leading Designer and Manufacturer of quality state of the art COAXIAL SWITCHES, BAND-PASS FILTER, PRECISION ATTENUATORS and other MICROWAVE transmission line components

Sharp Microelectronics of the Americas (SMA) drives innovative LCD, optoelectronics, memory, imager, and RF components to market.

Global supplier of high efficiency, Power Supplies, Inverters, Rectifiers, and UPS for Data COM, Telecom, Mil-Aero, Medical & Industrial applications. Solutions from 100W to 1 MW.

TENERGY

Superior turn-key power solutions with NiMH, Li-Ion, Li-Polymer, NiCd batteries, chargers and emerging power technologies. From prototype to volume production, we respond to our customers needs efficiently and precisely.
